

1890

To the Hon. H. A. W. Skeen, Judge of the Circuit Court for
Lee County, Virginia.

sketch into the Court,
Humbly complaining, your oratrix, Birdie Frost, *wife of James*
Frost, who sues by Garret Gilpin, her father and next friend, that
she is now nineteen years old; at the age of sixteen, and on the
19th day of October, 1902, she was married to her said husband, he
being twenty-four years old, and since that time has been to him a
constant, faithful and dutiful wife, and has borne him one child,
Emory Irvine Frost, who was one year old March 3rd, 1906; that her
husband, on the other hand, has been negligent and insufferably abusive
and violent to her, making her life miserable and endangering the same,
He has also been guilty of many acts of adultery in said county in the
vicinity of Ocoonita, and at other places in said county, within the
last two years. The exact dates and places of which acts she can not
now give, and which acts of adultery were committed without the con-
sent or connivance of your oratrix, within five years, and that she
has not lived or cohabited with him since she has had knowledge of his
said acts of adultery; that they last lived and cohabited together
as husband and wife in said county, of which county she is now and has
been all her life a resident; that on or about the ____ day of January,
1905, he abandoned her and has not returned to live with her; that
her said husband at the time of ~~their~~ said marriage was a married man
and had a living wife in the State of Tennessee from whom he had
never been divorced, which fact he kept concealed from your oratrix
until some time after their marriage, when he admitted the truth of
the charge to her and others; that her said husband, on or about the
5th day of February, 1906, shot and killed a man in said County of Lee,
by the name of Jasper Pace, for which crime he was indicted for murder
in your honor's court, at the May term, 1906, which indictment is still
pending and untied, and the said James Frost has been, a fugitive
from justice ever since the commission of said crime, and a non-res-
ident of the state of Virginia.

The object therefore of this bill, is to obtain a divorce from the bonds of matrimony existing between the plaintiff and defendant, and to have the custody of the said child decreed to your oratrix. To this end she makes the said James Frost, the party defendant to this bill, and asks that he be required to answer the same, but not under oath, answer under oath being waived; that your oratrix may be entirely divorced from him and the marriage dissolved and your oratrix given the care and custody of their child, the said James Frost being an unfit person to have the custody and care of said child; and for such other and further relief as her case may require and to equity may seem meet. May order of publication be made, posted and published against the defendant, who is a non-resident of this State. And your oratrix will ever pray &c.
